

Project: **Bus Driver Appreciation**

Who: Bus Drivers

What: Reception in appreciation for their service

Who is involved: Any student council member

**Project Description:**

We took a picture of the group of bus drivers in front of a bus and took the picture to a bakery that specialized in making photo cakes. The cake was about 12” x 15” in size and decorated with the picture. Written on the cake was “Thank you, bus drivers.”

We planned a reception for them to attend one afternoon. They came in early for their afternoon bus run, greeted in our student commons by the students (about 3 or 4 council members), and escorted to a table that held the cake, snacks and drinks. They were extremely appreciative of the gesture.

Cost: \$40.00 for the cake

Donations: Snacks, drinks, plates, cups, napkins, forks
