Student Medical Form Statements of Agreement Form

May 1, 2018

These forms have been revised and formatted as editable PDFs.

This will:

- ✓ ensure legibility.
- ✓ ensure that required information is collected.
- ✓ allow a student to save the Medical Form on his/her computer for future use at any NCASC event for one year from the date of completion. Edits can be easily made without the need to enter all information again!

Using an editable PDF is easy!

Step 1 Download the PDF from the NCASC website to your computer.

To eliminate issues with saving the information you have entered, DO NOT simply open the PDF from the website and enter information.

Step 2 Open Adobe Acrobat Reader DC.

If you don't have the latest version (DC Reader), go to the Adobe website, specifically to this address:

<https://get.adobe.com/reader/>

There you will find directions on how to download **AND** install the **FREE** Adobe Acrobat Reader DC for a PC or a MAC.

Step 3 After Adobe Acrobat Reader is open, then open the PDF.

Step 4 Click on the lines to enter the requested information.

Step 5 When finished, print the PDF and then obtain required signatures.

Suggestion: In Print Options, choose Print to Fit or Reduce to 95%

Step 6 Rename the PDF as follows and SAVE it on your computer.
