

# NCASC Recruiter Award

The **NCASC Recruiter Award** recognizes NCASC member schools that have encouraged other schools to become a member of the NCASC.

The joining member school must not have held membership in the NCASC during the past five years.

1. Any NCASC member school that recruits one school into the NCASC will be awarded with the **Bronze Recruiter Award**.
2. Any NCASC member school that recruits two schools into the NCASC will be awarded with the **Silver Recruiter Award**.
3. Any NCASC member school that recruits three or more schools into the NCASC will be awarded with the **Gold Recruiter Award**.
4. The **Platinum Recruiter Award** will be awarded to the NCASC member school that recruits the most schools into the NCASC. This is in addition to any other recruiting awards that they have earned.

The NCASC Recruiter Awards will be presented annually at the State Convention based on information submitted by new member schools as indicated on the online membership forms and/or as submitted via email to the NCASC Executive Director by member schools.
