

Suggested Pre- and Post- Activities for Advisors to Use to Complete School System Approval Forms or Travel Request Forms

**North Carolina Association of Student Councils, Inc.
Summer Leadership Workshop
Mars Hill University
July 12 – 16, 2021**

Pre-Workshop Activity

Advisor will meet with student delegates to:

1. discuss why the school is sending a delegation to the workshop.
2. discuss expectations for workshop participation.
3. review student participant statements of agreement and commitment form.
4. determine what is good about your school or your Student Council that you want to see continue and can share with others at the workshop.
5. discuss the needs of your school and your Student Council and what information / ideas you need to get from others at the workshop.
6. review logistics (travel arrangements, when you're leaving, what to take with you, etc.).

Post-Workshop Activities

Advisor will meet with student delegates to:

1. review what was learned at the workshop.
2. continue work on the delegation's Building a Legacy plan that was started at the workshop.
3. share ideas they heard that could be incorporated into their action plan for 2021-2022.
4. plan a retreat for the Executive Council or entire Student Council before school starts.
5. plan a report and arrange a meeting with the principal to share their workshop experience.
6. develop the year's activity calendar.
7. plan for new student orientation.
8. Make preparations for in-person school and a return to in-person student activities.
