

2022 NCASC Summer Leadership Workshop

June 19, 2022

Dear Delegate:

I hope you are ready for the **2022 North Carolina Student Council Leadership Workshop at Mars Hill College, July 11-15. Our theme will be "LEADERSHIP IN BLOOM."**

The purpose of this workshop is to learn, improve, and practice leadership skills.

This workshop will perhaps be different from any in which you have ever participated. As stated by a student member of our Workshop Planning Committee: *"Mars Hill is an extraordinary learning experience."* **We do not schedule activities that you have done a thousand times and/or can do at home.** Each activity and segment of the program has a purpose and an objective. There is a reason for everything you will do. Please come to the workshop with a positive attitude and a willingness to participate in all activities and to be a fully-engaged team player.

You are reminded of your responsibility to the school you represent. We will have fun, while we work. The week will introduce you to new people, new ideas, and new experiences. The workshop schedule will include activities that you can carry back home for implementation next year. We have always had the highest caliber of student attending this workshop and we expect another successful workshop this summer. **It is legendary at Mars Hill that delegates are taught how to behave appropriately in various situations and to exude "class" in everything they do.** Come with the knowledge that you will learn and practice time-tested, old-fashioned, "legendary" skills that will strengthen your foundation for surviving and leading in the technologically-based, ever-changing 21st century.

We have a minimum of rules and policies, however, **we do expect adherence to workshop regulations that you and your parent/guardian has received.** The Workshop Committee reserves the right to take appropriate action should any delegate not comply with these regulations, with the possibility of that person being sent home and his/her parents and principal being notified. Your junior counselor will review our "common sense" regulations on Monday evening.

Please read this Advance Information Packet carefully. It contains important information you need to know before you arrive at Mars Hill University on Monday – July 11 between 2:00-4:00 pm.

The packet also contains information that further outlines our expectations as well as information you need to make your workshop experience an enjoyable one.

I am looking forward to meeting and working with you.

Warm regards,

Colby Cochran, Workshop Director

The Guidelines

Staff members will review our “common sense” guidelines with you. However, a few things need to be understood from the beginning.

- 1 Delegates are required to attend all scheduled events in their entirety unless excused by an adult staff member. In case of illness or injury, delegates must notify a staff member immediately.
- 2 Delegates must stay on campus for the duration of the workshop. Any exception must be approved by an adult staff member.
- 3 The use or possession by delegates of illegal substances is not permitted. Period.
- 4 Delegates may not go on the dorm floors of the opposite sex except during scheduled check-in and check-out times.
- 5 Delegates must wear their name tag at all times. They serve as our meal ticket and help others to know who you are and enable them to call you by name.
- 6 Delegates are asked to cooperate immediately with directions of staff members. Some things must simply be done a certain way, at a certain time by everybody. Some things are not open to debate or discussion. Being a follower when appropriate is a mark of a good leader.
- 7 As guests of Mars Hill University everyone is expected to observe campus policies and treat the facilities as if they were owned by you. Be aware that we are not the only group on campus...and that noise “carries in the hills.”
- 8 As leaders delegates must conduct themselves in a manner that will reflect positively on themselves, their families and their schools.
- 9 Cell phones and other communication devices are to be turned off and kept out of sight or left in your room during scheduled activities, as directed.
- 10 Student safety is very important. If at any time an incident occurs that makes you feel threatened, harassed, or intimidated, you must tell an adviser or staff member.

Delegates who do not comply with these and other guidelines as outlined by staff members may be asked to leave the workshop at their own expense.

In past years our delegates have been extremely cooperative and mature in following these basic guidelines. Thank you in advance for helping us to have a good week.

2022 GENERAL INFORMATION FOR STUDENT DELEGATES AND ADULT ADVISERS

Read carefully – Info on dorms and registration location

1. **MEDICAL RELEASE REQUIRED FOR STUDENT DELEGATES**

No student will be allowed to remain and participate in the workshop program unless we have a completed medical form on file.

2. **DELEGATES WITH MEDICAL PROBLEMS/TAKING MEDICATION**

Any student delegate taking medication should inform the appropriate dean of men/women upon arrival. Any delegate who sleep-walks should also notify the deans. Since some of our activities are physical in nature, any delegate who feels he/she should not participate in an activity should discuss your physical situation with your council sponsor or the appropriate dean.

3. **ALCOHOL OR DRUG USE**

The possession or consumption of alcoholic beverages or non-prescribed and/or illegal drugs is NOT PERMITTED at the workshop. We could destroy any future workshops if anyone is so immature that he/she would drink or use drugs during the week. We do not expect this to occur. However, we do want to be clear as to our policy because of the seriousness of this issue. **The Workshop Committee reserves the right to exclude any delegate from further participation in the workshop for violation of this policy. NCASC is obligated to notify campus security and local law enforcement for violations of civil or criminal statutes.**

4. **APPROPRIATE DRESS**

Adhere to your school dress code. If it is inappropriate for school, it is inappropriate for the workshop. We do feel that part of our purpose is to teach student leaders what is appropriate dress for various occasions. We trust that good taste and judgment will prevail. The weather is usually very warm. Cool, comfortable (but decent) clothing is appropriate. Males must wear t-shirts or polo-style shirts (no tank tops) and females must wear full tops at all times. All delegates must wear shoes at all times. Simply put, clothing should not be too tight, too loose, too revealing, or distracting.

Wear comfortable, close-toed shoes. Sandals are NOT GOOD for the workshop.

Do wear a wrist-watch. Buy a cheap one if you don't have one. There will be times when CELL PHONES are PROHIBITED and you will need to know the time.

5. **RESPECT – ATTITUDE – ETIQUETTE – i.e., CHARACTER COUNTS!**

Delegates are expected to have and show respect for others, to have and display a positive attitude, and to speak and act in a manner expected of leaders. Appropriate humor is acceptable. Sexual innuendos, vulgar language/behavior, bullying and harassment are hurtful and will not be tolerated. The **Humor Triangle for Leaders** will be taught and practiced at the workshop.

Advisers are requested to address acceptable dress and behavior with their student delegates before arriving at Mars Hill.

Do not bring valuables!!! NCASC nor Mars Hill University will assume responsibility for lost or stolen items.

2022 SPECIAL INFORMATION FOR ADVISORS

Revised June 2022

RENEWAL CEU CREDIT AVAILABLE

The workshop has been approved for 2.5 renewal credits for teachers! You may need to obtain PRIOR APPROVAL from your school system. We will review the requirements and logistics during the first advisor's session on Monday evening. Here is the information you may need for prior approval:

North Carolina Association of Student Councils

Staff Development Provider #: 583

Activity Title: *Student Activity Advisor Training Workshop*

Reference #: 940625401

5 1/2 hours --- Instructional Time

22 1/2 hours --- Laboratory Time

Approved for 2.5 renewal units

APPROPRIATE DRESS AND BEHAVIOR

Please note items 4 and 5 on the General Information sheet (next page) and discuss them with your students before you arrive at the workshop. In the real world most people do not get or lose their jobs because they lack technical skills, but rather because they dress, talk, behave or act inappropriately. There currently exists a need for many student leaders to learn and model these vital "soft skills." Historically this workshop has attempted to help them to do that. We request that you assist us in our efforts.

ADVISOR PROGRAM

We invite you to participate fully in the entire Workshop program...and especially the sessions for advisors. We need your involvement. Students need to see that you are interested in learning and working together, too! We will have an advisor's get-together and refreshments each evening in the advisor's dorm. ***Please join us!*** You will get out of the workshop what you put into it!

WORKSHOP POST OFFICE

During the workshop, delegates make "mail bags" to facilitate the exchange of appreciations, recognitions, thank-you notes. Knowing that this opportunity will exist, we thought you might want to bring something special for your delegates to put in their "mailbox" – note cards, stickers, etc. **Students will receive their mailbag at the end of the workshop (no daily retrieval of mail this year. Please don't place large, perishable, or food items in mail bags until Thursday afternoon.**

ADVISOR SUPPLIES

Advisors who have participated before have found that a small supply box of materials may be helpful (scissors, tape, rulers, magic markers, glue, etc.) when preparing advisor table decorations for the banquet.

COUNCIL SCRAPBOOKS

Please bring your council's scrapbook if you have one and share it with other advisors in the dorm. Everyone needs new ideas and you may just have the "new" twist to an old idea!

Again, thanks for providing this opportunity for your student leaders.

We hope the week at Mars Hill will help you in 2022-2023!
