

2021-2022 Candidate School Questionnaire

Candidate School **Leesville Road High School**
Office **Central District High School Chair School**
Student Designee: Amaya Montague Advisor: Keysha Mayfield

1. How does your school plan to fulfill the responsibilities of this position?

Our council plans to attend all board meetings and events run by NCASC. We will be there to participate in discussions, to provide assistance to other members of the board, and to support all schools in NCASC. We will work closely with the high school District Vice Chair and the middle school District Vice Chair schools to plan and host the Central District Conference in the fall. We will help the District Vice Chair Schools in promoting membership of schools in our district. We will be there to support and assist the Executive Board in any jobs that need to be done.

2. What are your Student Council's qualifications for this position?

Our council has served as the NCASC President-Elect School, President School, First Vice President School, and Central District High School Vice Chair School in the past 6 years. Our council hosted the state convention in 2017. We have experience in hosting large-scale events, which has allowed us to learn valuable skills such as leadership, teamwork, and communication. When serving as the Central District Vice Chair, we gained experience in working cohesively with the host school and Middle School Vice Chair for that year and in organizing the skill shops and presenters for the conference. For many years we have attended all NCASC events offered, including all 3 district conferences each year. Attending all of these conferences has given us insight on how these events are run, has given us the opportunity to learn new skills, and has provided us with a multitude of leadership opportunities to prepare us for this position. Our advisor has been a part of NCASC and our council for 14 years. She has shown her dedication to NCASC, the board, and our council through her attendance, support, and contributions to NCASC events.

3. Why did your Student Council decide to be a candidate for this position?

Our student council decided to run for the position of Central District Chair school to continue to show our support of and involvement in NCASC. Becoming a District Chair school will allow us to gain more experience hosting large events and will provide us with the opportunity to share our enthusiasm for leadership and the NCASC. We enjoy being a part of NCASC and want to continue to learn all we can by taking on new and different roles within the organization. We value attending conferences, conventions, and various other NCASC events and want to serve other member schools by providing them with an incredible leadership experience.

4. What are your Student Council's goals as a NCASC state or district officer school?

Our student council's goals as a district officer school are to increase involvement in NCASC with member schools and increase membership. It is also our goal that all member schools attend at least one NCASC sponsored event. There are some schools who join but never reap the benefits of membership. We will work to encourage all member schools to attend a District Conference, which is often much more feasible for some schools than some of the larger events. We will strive to be an active and involved member of the board that will support other board member schools in their endeavors and will perform any duties necessary for the advancement of the NCASC.
