Anticipated Cost based on 15 persons (will increase if fewer attend)

Conference Registration	\$395
Airfare (includes baggage fee)	\$650
Hotel (per person)	\$280
Baseball Game (w/meal)	\$35
Mt. Hood Activities	\$65
Transportation	
Sky Ride	
Lunch	
Big Al's	\$40
NC Shirts/trading items	\$50
Total	\$1515

This does not include three meals or any souvenir items.

Payment:

There will be two payments:

1st Payment by April 15th	\$1000 (Registration and Airfare)
2nd Payment by May 15th	\$515

We will not be able to purchase plane tickets until 1st payment is made. After tickets have been purchased and registration is complete, no refunds will be made.

If we have more to attend, the cost will decrease, if we have less, the cost will increase. We will do our best to keep cost down. Our philosophy is that if you travel across the US, you need to see some of what is possibly a once-in-a-lifetime opportunity.

We have to know of your interest to attend by April 1st. When we know you are going to attend we will give you all the info you need on registration.
